Oskaaloosa Schools held a ceremony to show off their new baseball field & facility—115,000 square feet of synthetic turf, new backstops, bullpens, fencing, automated sports broadcasting technology and an upgraded LED lighting system. All this made possible through partnerships with Musco, Iowa Sports Turf, Veenstra Construction, Overbergen Electric, Garden & Associates and others. Following SEASONS of problems with WATER, the versatility of this turf is amazing and can be used by soccer, softball, baseball, band, strength and speed training, football and so on. Athletic Director Ryan Parker led the ceremony. The ribbon was cut by senior baseball players, school and athletic staff, board members, and many involved in the project, many of whom were invited to throw in the first pitch(es).

On Saturday, May 18, the Mahaska Diplomats held a ribbon cutting for the Mahaska County YMCA re-dedicating the Bruce and Mary Lou Sedrel YMCA Day Camp. The Sedrel family assisted in the ribbon cutting. Thank you to all the volunteers who helped prepare the camp for the season's activities.

Mahaska Diplomats joined Mahaska Health's leaders, physicians, and nurses to recognize the new addition of services available to the community at Mahaska Health. The Ribbon Cutting

ceremony commemorated the grand opening of the new state-of-the-art Cardiology clinic dedicated to delivering the highest quality of personalized comprehensive cardiovascular care and treatment for patients. Full-time board-certified and fellowship trained Cardiologist Dr. Pargulski is now welcoming new patients.
